Summary

A highly motivated B.Tech Computer Science Engineer with a strong foundation in frontend development. Hands-on experience in React, Redux Toolkit, TypeScript, and TailwindCSS through internships and real-world projects. Skilled in building scalable, responsive, and user-friendly web applications. Eager to contribute technical expertise and problem-solving skills to dynamic software teams.

Skills

Frontend: ReactJS, Redux Toolkit, TypeScript, JavaScript, HTML5, CSS, Tailwind CSS
Other Tech: REST APIs, Git, C/C++
Core CS: Data Structures, OOPs, Problem Solving

Experience

Frontend Developer Intern   **Jan 2025 – Jun 2025**
AGI Innovations makes360 Pvt. Ltd., Mohali

– Contributed in an E-commerce web platform using React, Redux Toolkit, TypeScript, and Tailwind CSS.
– Built core features like product listing, detail page, cart management.
– Integrated REST APIs for product data, categories.
– Optimized performance with React.memo, lazy loading, and code splitting.

Frontend Developer Training   **Jul 2024 – Dec 2024**
Webtrack Technologies, Mohali

– Developed a Portfolio & Blog Website.
– Created reusable components such as Navbar, Footer, Blog Cards, and Contact Form.
– Integrated a Markdown-based blog system with dynamic rendering.
– Used React Router for smooth navigation across pages (Home, About, Blog, Contact).

Projects

Food Delivery Web App | ReactJS, Tailwind CSS

– Built a food ordering app with cart functionality, controlled forms, and API integration.
– Implemented authentication and responsive UI for better user experience.
– Added search and filter functionality to help users quickly find dishes by category and price.
– Deployed the app on Netlify, ensuring smooth access and testing across devices.

Quiz Web App | ReactJS, Tailwind CSS

– Developed an interactive quiz app with dynamic questions and a timer.
– Implemented React hooks for state management and conditional rendering.
– Enabled score tracking and progress review so users can analyze performance after quizzes.
– Integrated local storage to save quiz attempts and maintain state on refresh.

Education

Punjab Technical University   **Graduated: 2025**
B.Tech Computer Science   *CGPA: 7.5 / 10*

Army Public School, Ambala Cantt   **2019**
Secondary Education   *Percentage: 92.8%*
